

# SAINT JULIE BILLIART

Feast Day: April 8

Life was not easy for Julie Billiart, but she trusted God. As a young woman in France, Julie was paralyzed and could not walk. Instead of feeling sorry for herself, she taught Bible stories to children at her bedside. Many years later she was able to walk again.

Julie served God in all she did. In 1803, she started a group of Catholic sisters who taught in schools and cared for children without homes. The group also helped people who were sick or lived in poverty. We can bring hope to others, as St. Julie Billiart did.

*Look up Romans 15:13 and write the first part here:*

Saint Julie, pray for us, that we may  
bring hope to the lives of other people.
