

SAINT PHILIP NERI

Feast Day: May 26

Philip had a great sense of humor and liked to laugh. He found joy in each day. He was a person of prayer in all he did. In Rome, Philip helped people who were sick.

Philip became a priest in 1550. He is called the Apostle of Rome because he lived in Rome and shared the Good News of Jesus Christ with others.

We, too, are called to be people who joyfully share the Good News of God's love with others. We can be like St. Philip Neri in being people of compassion and helping those who are sick.

*Write below one way you can bring joy
to the life of another person.*

*Saint Philip Neri, pray for us, that we may
reach out to people who are sick.*
