Our Amazing Summer

Look at how the maze is actually four mazes together. Take turns starting at the different points in the center and moving through each section. When you come to 1, talk about things you can do that focus on what that part of the maze emphasizes. Then continue to find your way through the maze to 2 and do the same thing. Then exit that part of the maze and do another part.

When you are finished, you will have a list of great ideas for an amazing faith-filled summer.
