Beginnings and Endings

Most everything has a beginning and an ending. In fact, the beginning of one thing often means the ending of another thing. Fill in the blanks of these examples.

When today begins, what ends? _____

When the school year begins, what ends? _____

When winter begins, what ends? _____

Decode this Circle Quote to discover a description in Scripture about the Almighty, who has no beginning and no ending. Begin with the I at the arrow and go around the circle, writing every other letter as you go. When you have filled in all the blanks, you'll have your answer.

(Revelation 1:8)
