

SAINT SCHOLASTICA

Feast Day: February 10

Scholastica and her twin brother received a good education. Their parents knew that a good education was very important. Their parents also taught them about God's love. Even as a child, Scholastica wanted to dedicate her life to God.

When she grew up, Scholastica gave up her life of wealth. She became the first nun in an order founded by her brother. As a Benedictine, she lived a simple life of prayer and study.

Scholastica put God first and praised God for everything. We, too, are called to be people of prayer who put God first in our lives. Both Scholastica and Benedict became saints.

Draw something for which you give praise to God.

Saint Scholastica, pray for us, that we may
put God first in our lives as you did.
