

SAINT JOHN NEUMANN

Feast Day: January 5

John Neumann came to the United States in 1836. He became a priest and served people from other countries who came to the United States for a better life.

John Neumann traveled all over western New York State celebrating Mass and visiting the sick. His example reminds us that we, too, are called to serve others wherever we are needed.

Father John Neumann became the Bishop of Philadelphia in 1852. He started more than 80 parishes and many schools. He was a humble person who was beloved by the people he served.

Color the words of St. John Neumann's prayer:

Lord, teach me
how to live.

*Saint John Neumann, pray for us,
that we may serve others as you did.*
