

SAIN'T ANNE MARIE EUGENIE

Feast Day: March 10

Anne Marie lived in France. When her mother died, she went to live with relatives. It wasn't until a Catholic cousin invited her to church that she learned about living the gospel.

Anne Marie Eugenie wanted to make a difference in people's lives. She knew education was important. In 1839 she founded a religious order to teach and serve others.

She wrote, "I believe that each of us has a mission on earth. It is a question of seeking how God can use us to make his gospel known and lived." She was canonized in 2007.
