

SAINT PAUL OF THE CROSS

Feast Day: October 20

Paul Daneo had a great love for Jesus on the cross. He became a Catholic priest in 1734. He walked all over Italy sharing the gospel with others.

He started the order called the Passionists who see the passion of Jesus as a sign of hope for our world. The Passionists work in many countries helping others and teaching the gospel.

Paul of the Cross was a person of prayer who tried to do God's will in all things. His life reminds us to give thanks for God's unending love for each of us.

*Draw designs on this cross
and keep it to remember
the love Jesus has for you.*

*Saint Paul of the Cross, pray for us,
that we may follow Jesus each day.*
