

# SAINT EMILIE DE RODAT

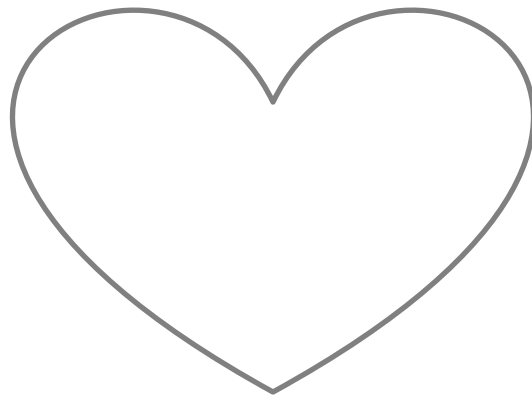

Feast Day: September 19

Emilie lived with her grandmother in France and liked going to school very much. When she grew up, she became a teacher. In 1815 she started teaching children who lived in poverty.

She was a caring person who shared God's love with others. She also helped people who were sick and people who were elderly and lived alone.

Emilie knew that God has a purpose for each of us. She found hers in serving others. The example of St. Emily reminds us to seek God's purpose for our lives.

*Write in the heart  
one way you will share  
God's love with others.*

*Saint Emilie, pray for us, that we may  
share God's love with others as you did.*
