

# SAINT THOMAS OF VILLANOVA

Feast Day: September 22

Thomas was born in 1488 and lived in Villanova, Spain. His parents taught him to care about other people, especially those in need. When he grew up, he became a priest.

Thomas cared about people in need. He fed hundreds of hungry people who came to his door each day. He lived his life with love for others as Jesus teaches us.

Thomas said, “If you want God to hear your prayers, hear the voice of the poor.” He died in 1555. Saint Thomas of Villanova is known as the Father of the Poor.
